

# Parkinson's Pals at Cornell

**We are looking for passionate students who want to contribute to the Parkinson's support community.**

## Who Are We?

- A national organization affiliated with the Davis Phinney Foundation
- Undergraduates providing a platform for Parkinson's patients to share their experiences

## Your Contribution

- Connect with a Parkinson's patient from the Ithaca community and Weill Cornell Medicine
- Hear about the experiences of living with Parkinson's firsthand
- Offer support and a lending ear to patients feeling symptoms of depression and social isolation
- Gain experience and volunteer hours !
